1. All our courses are conducted in English.
2. Participants are encouraged to register two months prior to the program in order to pay the course fee in two (02) monthly installments.
3. All course fees should be fully paid prior to participation in the training.
4. If the candidate is taking the courses concurrently e.g from understanding to implementation or understanding to internal auditor course a discount of 20% may be awarded.
5. These courses will be available virtually on the same date and time frames stipulated in this calendar.
6. A minimum of 5 participants must register and pay for the training prior to its commencement.

Please note that all courses are available to corporate bodies with a minimum of 5 participants for tailor made in-house course training programs.
